§ 800.172 Applications for licenses.

(a) *General.* An application for a license, the renewal of a license, or the return of a suspended license shall be made to the Service on forms furnished by the Service. Each application shall (1) be in English, (2) be typewritten or legibly written in ink, (3) show all information prescribed by the application form, and (4) be signed by the applicant.

(b) *Additional information.* An applicant shall furnish any additional information considered necessary by the Service for consideration of an application.

(c) *Withdrawal.* An application for a license may be withdrawn by an applicant at any time.

(d) *Review of applications—(1) General procedure.* Each application shall be reviewed to determine whether the applicant and the application comply with the Act and the regulations.

(2) *Application and applicant in compliance.* If it is determined that the applicant and the application comply with the Act and the regulations, the requested license shall be granted.

(3) *Application not in compliance.* If an application does not comply with this section and the noncompliance prevents a satisfactory review by the Service, the applicant shall be provided an opportunity to submit any needed information. If the needed information is not submitted by the applicant within a reasonable time, the application may be dismissed.

(4) *Applicant not in compliance.* If it is determined that an applicant does not comply with the provisions of the Act and §§ 800.171, 800.173, and 800.187 at the time the application is submitted, the applicant shall be provided an opportunity to comply. If the applicant cannot comply within a reasonable period of time, the application shall be dismissed.

(e) *Procedure for dismissal.* If a dismissal involves an application for a re-

§ 800.173 Examinations and reexaminations.

(a) *General.* Applicants for a license and individuals who are licensed to perform any or all official inspection or Class X or Class Y weighing services shall, at the discretion of the Service, submit to examinations or reexaminations to determine their competency to perform the official inspection or weighing functions for which they desire to be, or are, licensed.

(b) *Time and place of examinations and reexaminations.* Examinations or reexaminations under this section shall be conducted by official personnel designated by the Service and shall be given at a reasonable time and place in accordance with the instructions.

(c) *Scope of examinations and reexaminations.* Examinations or reexaminations may include oral or written tests on the applicable provisions of the Act, the regulations, the Official U.S. Standards for Grain, the procedures for the inspection and weighing of grain under the Act, the instructions, on-site performance evaluations, and vision or olfactory examinations.

(d) *Competency standards—(1) Inspection.* An individual may be found to be incompetent to perform official inspection services if the individual (i) has a color-vision deficiency; (ii) cannot meet the physical requirements necessary to perform the functions; (iii) cannot readily distinguish between the different kinds and classes of grain, or the different conditions in grain, including heating, musty, sour, insect infestation, and smut; (iv) cannot demonstrate a technical ability to operate grain sampling, testing, and grading equipment; (v) does not have a working knowledge of applicable provisions of
